Chapter 1 by Will Coloff

"I want to" Percy said to Emily. "I'm going to do it"

"But Percy, you're too young" Emily said back to Percy

"That hasn't stopped me before" He said back to Emily

"But what if you are killed?"

"Then I'll die for my country" With that, Percy walked out of the house and headed towards the recruitment center. When he got there a man was waiting behind a counter. "Hello sir" Percy said. The man looked up, he saw nothing

"Eh? Who's there?" The man said. Percy stood on his tiptoes

"Me" Percy said, his eyes barely peeking up above the counter

"Who are you?" The man said, looking down.

"I'm Percy Flantoff, I've come here to join the war,"
